

WE ARE THE **CompTIA** COMMUNITY

March 5, 2024

Combined Interest Group Call, ANZ & ASEAN

Antitrust, Diversity, and Anti-Harassment

- Antitrust
You must not engage in discussions that could result in an unreasonable restraint of trade.
<https://www.comptia.org/membership/communities-and-councils/antitrust-statement>
- Diversity
We promote an inclusive environment that respects and values all individuals.
<https://comptia.informz.net/COMPTIA/pages/CompTIAATTD>
- Anti-Harassment
This is a respectful and safe environment for all. Any verbal, physical, or psychological harassment will not be tolerated.
<https://www.comptia.org/contact-us/harassment-complaint>

**Please report any violation of the above policies to CompTIA staff immediately.
Violators will be removed from the event or meeting.**

Let's hear from a member about how he used the
Managed Services Trustmark

Zaun Bhana
Managing Director, Leap Consulting

COMPTIA CYBERSECURITY PROGRAMS OVERVIEW

- CompTIA ISAO - Available to ALL MSP/solution provider members
 - Cyber Forum – online forum, safe space for discussion and collaboration
 - Threat reports with comments from IT-ISAC analysts
 - Access to Splunk / TruStar Threat Intelligence Management
 - Access to Sophos X-Ops Intelix
 - Monthly Member Meetups every 3rd US Wednesday, 2 sessions for our global members. *(Not recorded, only for members who have registered for the Cyber Forum)*
 - Access CompTIA ISAO Cyber Forum from [my.Comptia.org](https://my.comptia.org)
- CompTIA Cybersecurity Trustmark
 - Organisational accreditation designed specifically for MSPs and solution providers to establish a starting point for their security journey.
 - Based on best practices across varying controls from globally recognized frameworks.
 - GRC Platform
 - Participant discussion forum
 - Weekly calls with Platform Partner, Fort Mesa and Cybersecurity Program Team members.
- CompTIA Emergency Response Team
 - Launched in North America
 - Designed to assist solution providers experiencing a security incident or service disruption
 - Supplements formal incident response relationships with support for: health, family, employee well-being, and experience guidance
 - Actively looking for volunteers in Australia
 - https://comptia.microsoftcrmportal.com/CompTIAISAO_VRCInterest/

CompTIA Cybersecurity Trustmark

- Controls based on publicly available frameworks, guidance, and regulations:
 - Center for Internet Security (CIS) 18 Critical Security Controls (CSC)
 - ISO 27001
 - National Institute of Standards & Technology (NIST) 800-171
 - Health Insurance Portability & Accountability Act (HIPAA)
 - New York Department of Financial Services (NYDFS)

Cybersecurity Insurance

APPROXIMATE Overlaps Against Other Common Frameworks

CompTIA Cybersecurity Trustmark

- Purpose built to assist MSPs on their cybersecurity journey.
- Access to a Governance, Risk and Compliance (GRC) Platform
- Prescriptive guidance.
- Weekly Q&A calls.
- Resource blogs.
